During the quarter, the Valuation Committee, which is composed of three independent directors, adjusted the fair values of four portfolio companies, resulting in a net decrease of approximately \$1.1 million, or \$0.30 per share. In arriving at these determinations and consistent with the Company's valuation procedures, and ASC 920 (formerly FAS 157), the Valuation Committee took into account many factors, including the performance of the portfolio companies, recent transactions in the companies' securities, as well as the impact of changes in market multiples within certain sectors.

In the second quarter of 2011, the Company earned approximately \$53,000 in interest income. The Company reported a net operating loss of approximately \$477,000 for the quarter. The Company reported net realized gains from investment of approximately \$178,000, resulting from the sale of public securities.

Throughout the quarter, the Company continued its efforts to manage its portfolio prudently, including working with its portfolio companies and their management teams to seek to enhance performance and uncover potential exit opportunities.
